```
Here are some hints to help you
 play with Jenny.

'H' tells what Jenny is 'Holding.'

'L' will help you 'Look around.'

'S' will give you 'Scores' for wood,
 food for the winter, and Jenny's cape.

Remember that Jenny needs to get
 40 points of food for the summer,
 before she can start to store it
 for the winter.

To store food for the winter, Jenny must
 carry it back to her shelter.

Now go ahead and experiment to find out
what Jenny and the computer can do!!!
```

```
Make sure the upper-case is locked in.
Do you want sound: (Y or N)?

Jenny needs your help. Are you ready?

Which level: 1, 2, or 3?

Do you want to build a lean-to in the
clearing or tame the fox and live in
the cave: (L or C)?
```

What does Jenny want to pick up? WATER
Jenny was very thirsty.
She drank some water.
